

The Largest
Cashew Processor
Vietnam

- ▶ Established since 2000, Long Son has become the largest cashew processor in Vietnam and top two largest cashew processors in the World.
- ▶ We supply nearly 30,000 tons of raw cashew kernels and roasted cashew to the international markets annually.
- ▶ We have been roasting cashew nuts as snacks since 2005 and exporting to America, Canada, EU, United Kingdom, Scandinavia, Norway, Sweden, Australia, New Zealand, Japan, Hong Kong, China etc.
- ▶ Once specialized for its cashew products, Long Son has been expanding into new markets over the years.
- ▶ Monitored by our quality control process conforming GFSI, BRC, ISO, Kosher, Halal organisations and Equipped with modern technology machinery for conveyor roasting, automatic packaging etc., we supply the products to meet our customers' high standard requirement and specification.
- ▶ We offer a range of snacks like Roasted and Salted or Unsalted cashews, Roasted cashew with Skin-on, Flavours like Honey cashews, Spicy cashews, Sesame cashews, Cheese cashews and more in retails like pouches, bags, jars, tubs etc. under our own brands as well as to private labels for exporting.
- ▶ With the philosophy, not just business but a partnership to grow together, Long Son has enjoyed much support from our customers worldwide and continues our commitments to the quality priority, to the customer with mutual success, and to the community with supports and funds given.
