

- ✓ Established since 2000, through the year, Long Son has become the largest cashew processor in Vietnam operating in 10 big factories (companies) spreading the whole countries: Binh Phuoc Province, Binh Duong Province, Dong Nai Province and Ho Chi Minh City.
- ✓ Equipped with high technology machines likes color sorter machines, metal detector machines and especially X-ray machines thus can produce the cleanest cashews suitable for all needs.
- ✓ Long Son has set up and run the first ever Export Processing Entity in the Vietnam cashew industry besides its overseas companies in America, Mozambique Cote D'Ivoire and Togo.
- ✓ With the philosophy, not just business but a partnership to grow together, Long Son has enjoyed very much support from our customers worldwide. Long Son product has been exported to over 40 countries in the world as a high quality brand. More and more international supermarkets and roasters buy cashews from Long Son for its quality, performance and food safety. We always deliver quality which satisfied what buyers need for roasting, raw pack, sweet makers, dip makers...
- ✓ Ranking: In the top 300 largest enterprises in Vietnam
- ✓ Export volume for 3 years
  - 2020: 26,500 tons (about 1650 containers or 1,230,000 cartons)
