

✓ Established since 2000, through the year, Long Son has become the largest cashew processor in Vietnam operating in 10 big factories (companies) spreading the whole countries: Dak Lak Province, Khanh Hoa Province, Dong Nai Province, etc.

✓ Equipped with high technology machines likes AI color sorter machines, metal detector machines and especially X-ray machines thus can produce the cleanest cashews suitable for all needs.

✓ Long Son set up and run the first ever Export Processing Entity in the Vietnam cashew industry besides its overseas companies in America, Cote D'Ivoire, Senegal, Guinea-Bissau, Togo, Nigeria and Mozambique.

✓ With the philosophy, not just business but a partnership to grow together, Long Son has enjoyed very much support from our customers worldwide. Long Son product has been exported to over 45 countries in the world as a high quality brand. More and more international supermarkets and roasters buy cashews from Long Son for its quality, performance and food safety. We always deliver quality which satisfied what buyers need for roasting, raw pack, sweet makers, dip makers...
